# INFORMATION & GUIDELINES

**1. DEFINITIONS:**

a. *Commissary* means an approved facility that provides support services for specific required functions of a mobile food vendor. Any food establishment permitted or licensed by a regulatory agency, such as a catering operation, restaurant, grocery store, or similar establishment, or any other approved facility where food, containers, or supplies are kept, handled, prepared, packaged, or stored can be considered for approval as a commissary. A private residence may not be used as a commissary.

b. *Mobile food dispensing vehicle* means any vehicle that is a public food service establishment and that is self-propelled or otherwise moveable from place to place and includes self-contained utilities, including, but not limited to, gas, water, electricity, or liquid waste disposal.

c. *Mobile food vendor* means any person or business selling food from a mobile food dispensing vehicle from which food items are sold to the general public.

d. *Operator* means the owner, licensee, proprietor, lessee, manager, assistant manager, or appointed agent of a public lodging establishment or public food service establishment.

e. *Public food service establishment* means any building, vehicle, place, or structure, or any room or division in a building, vehicle, place, or structure where food is prepared, served, or sold for immediate consumption on or in the vicinity of the premises; called for or taken out by customers; or prepared prior to being delivered to another location for consumption. The term includes a culinary education program, as defined in Florida Statute §381.0072(2), which offers, prepares, serves, or sells food to the general public, regardless of whether it is inspected by another state agency for compliance with sanitation standards.

**2. LOCATION AND SEPARATION REQUIREMENTS:**

a. Mobile food dispensing vehicles may be located on a lot in a C-1, C-2, CS, CBD, I-1 and certain commercial PUD and RD zoning districts having 6,000 square feet or more of area, and containing a principal building or use. The maximum number of mobile food dispensing vehicles per lot is limited as follows:
   i) Maximum of one (1) mobile food vendor on lots containing 6,000 to 43,559 square feet of area;
   ii) Maximum of two (2) mobile food vendors on lots containing 43,560 or more square feet of area.

b. Approved State licenses and permits must be attached to the mobile food dispensing vehicle where they are readily visible.

c. Mobile food dispensing vehicles must be located at least one-hundred feet (100') from the main entrance to any eating establishment or similar food service business and one-hundred feet (100') from any outdoor dining area. This separation requirement shall apply only during the normal hours of operation of the eating establishment or similar food service business or outdoor dining area.

d. Mobile food dispensing vehicles:
   i. Must be located outside of a required sight visibility triangle at the intersection of a driveway, alleyway, or public street with another public street as set forth in Chapter 34 of this Code of Ordinances;
   ii. Shall be located no closer than five feet (5') of a public sidewalk, utility box or vault, handicapped ramp, building entrance or exit, or emergency access/exit way;

i. Must not impede, endanger, or interfere with pedestrian or vehicular traffic. Mobile food dispensing vehicles must be located a minimum distance of fifteen feet (15') in all directions away from a fire hydrant; and

ii. May not occupy or prevent access to any handicap accessible parking space.

**3. HOURS OF OPERATION, SIGNAGE AND NOISE:**

a. The mobile food vendor or designee must be present at all times during operation of the mobile food dispensing vehicle. Hours of operation are limited to the hours between 7:00 a.m. and 3:00 a.m. unless the designated location on the lot accommodating the mobile food dispensing vehicle is located within one-hundred and fifty feet (150') of the property line of a dwelling unit in a residential zoning district, in which case the hours of operation are limited to the hours between 7:00 a.m. and 10:00 p.m.

b. One (1) freestanding sandwich board or A-frame type sign is permitted on private property for each mobile food dispensing vehicle. The total size of the sign may not exceed forty-two inches (42") in height or thirty-six inches (36") in width.

c. No audio amplification is authorized as part of a mobile food dispensing operation.

d. The mobile food dispensing vehicle, signage and any associated outdoor seating must be removed from its approved locations during impermissible hours of operation; and must not be stored, parked, or left overnight on any public street or sidewalk.

**4. WASTE MANAGEMENT:**

a. The mobile food vendor is responsible for the proper disposal of waste and trash associated with the permitted mobile food dispensing vehicle operation. City trash receptacles shall not be used for this purpose. At a minimum, mobile food vendors must remove all waste and trash from their approved location at the end of each day or as needed to maintain the health and safety of the public. Mobile food vendors must keep all areas within twenty-five feet (25') of the vehicles and any associated seating areas clean of grease, trash, paper, cups, or cans associated with the mobile food dispensing vehicle operation.

b. Liquid waste or grease shall be disposed of at an approved location (for example, an approved commissary) and shall not be placed in tree pits, storm drains, or onto any sidewalk, street, or any other public space. Under no circumstances shall grease be released or disposed of in the City's sanitary or storm sewer systems. If at any time evidence of the improper disposal of liquid waste or grease is discovered, the responsible mobile food vendor will be required to cease operation immediately, clean up the improperly disposed material to the satisfaction of the City, and shall not resume operation until an alternate method of disposal has been approved by the Public Works Department.

c. If the proposed commissary is located within the City of Jacksonville Beach, written approval for its use from the Public Works Department is required.

d. With the exception of allowable outdoor seating areas, all equipment required for the mobile food vending vehicle operation must be contained within, attached to or within three feet (3') of the

mobile food dispensing vehicle; and all food preparation, storage, and sales/distribution shall be in compliance with all applicable sanitary regulations.

**6. ANNUAL LOCAL BUSINESS TAX RECEIPT REQUIRED:**

a. In accordance with Florida Statute §509.102, a separate local license and/or permit is not required to operate a mobile food dispensing vehicle within the City of Jacksonville Beach.

b. For each vending location, a City of Jacksonville Beach annual local business tax receipt shall be applied for, paid for, and issued before engaging in any business or commercial activity. A copy of a valid local business tax receipt must be clearly displayed on the mobile food dispensing vehicle and shall be renewed annually.

c. To obtain a mobile food dispensing vehicle local business tax receipt, the mobile food vendor must provide the City Clerk with a City of Jacksonville Beach mobile food dispensing vehicle application packet and evidence of possessing all applicable zoning approvals, State of Florida licenses and permits, including, but not limited to, the following:

i) Department of Business and Professional Regulations (MFDV License);
ii) Florida Department of Health (License);
iii) Department of Highway Safety and Motor Vehicles (Drivers License(s) for the applicant/legal business owner and all authorized mobile food dispensing vehicle drivers); and
iv) City of Jacksonville Beach Fire Marshal fire safety inspection report showing the vehicle is code compliant with NFPA 1-50.7, NFPA 96.

**6. ENFORCEMENT PROCEDURES:**

a. Inspections may be conducted by code enforcement inspectors, building code inspectors, fire marshal or designee, or police officers on each mobile food dispensing vehicle at any time and at any frequency deemed appropriate by the City.

b. If at any time, the State of Florida revokes or suspends the issued mobile food dispensing license, the City of Jacksonville Beach local business tax receipt will be simultaneously revoked or suspended. A mobile food dispensing vehicle that has its State license or permit declared null and void or revoked for any of the reasons set forth in this section shall not be allowed to reapply for mobile food dispensing vehicle authorization or a mobile food dispensing vehicle local business tax receipt for a period of ninety (90) days after the effective date of such action.

c. If at any time evidence is provided that a mobile food dispensing vehicle is being operated in a way that does not comply with these guidelines, a notice of violation shall be issued to the lot owner and mobile food vendor and the violation shall be referred to the Special Magistrate for a hearing and disposition in accordance with the provisions of Article VI Code Enforcement of Chapter 2 Administration of this Code of Ordinances.

**7. NON-TRANSFERABILITY:**

All mobile food dispensing vehicle operation locations approved by the City are non-transferable upon the sale or transfer of ownership of the mobile food dispensing vehicle. All local business tax receipts issued by the City are nontransferable upon the sale or transfer of ownership of the mobile food dispensing vehicle. Each location application for operation of a mobile food dispensing vehicle requires separate zoning approval and a separate local business tax receipt.

*Revised 1/2026*

Sec. 12-33. - Mobile food dispensing vehicles.

Where allowed under the permitted use provisions in certain zoning districts as set forth in Division 2 of Article VII of Chapter 34 of the Jacksonville Beach Code of Ordinances, mobile food vendors shall conform to the following conditions:

(1) *Definitions.*

a. *Commissary* means an approved facility that provides support services for specific required functions of a mobile food vendor. Any food establishment permitted or licensed by a regulatory agency, such as a catering operation, restaurant, grocery store, or similar establishment, or any other approved facility where food, containers, or supplies are kept, handled, prepared, packaged, or stored can be considered for approval as a commissary. A private residence may not be used as a commissary.

b. *Mobile food dispensing vehicle* means any vehicle that is a public food service establishment and that is self-propelled or otherwise moveable from place to place and includes self-contained utilities, including, but not limited to, gas, water, electricity, or liquid waste disposal.

c. *Mobile food vendor* means any person or business selling food from a mobile food dispensing vehicle from which food items are sold to the general public.

d. *Operator* means the owner, licensee, proprietor, lessee, manager, assistant manager, or appointed agent of a public lodging establishment or public food service establishment.

e. *Public food service establishment* means any building, vehicle, place, or structure, or any room or division in a building, vehicle, place, or structure where food is prepared, served, or sold for immediate consumption on or in the vicinity of the premises; called for or taken out by customers; or prepared prior to being delivered to another location for consumption. The term includes a culinary education program, as defined in F.S. § 381.0072(2), which offers, prepares, serves, or sells food to the general public, regardless of whether it is inspected by another state agency for compliance with sanitation standards.

(2) *Location and separation requirements.*

a. Mobile food dispensing vehicles may be located on a lot in a Commercial Limited: C-1, Commercial General: C-2, Commercial Service: CS, Central Business District: CBD, I-1: Industrial, and certain commercial Planned Unit Development: PUD and Redevelopment District: RD zoning districts, as determined by the city planning and development department, having six thousand (6,000) square feet or more of area, and containing a principal building or use. The maximum number of mobile food dispensing vehicles per lot is limited as follows:

1. Maximum of one (1) mobile food vendor on lots containing six thousand (6,000) to forty-three thousand five hundred fifty-nine (43,559) square feet of area;
2. Maximum of two (2) mobile food vendors on lots containing forty-three thousand five hundred fifty-nine (43,559) or more square feet of area.

b. Approved state licenses and permits must be attached to the mobile food dispensing vehicle where they are readily visible.

c. Mobile food dispensing vehicles must be located at least one hundred (100) feet from the main entrance to any eating establishment or similar food service business and one hundred (100) feet from any outdoor dining area.

This separation requirement shall apply only during the normal hours of operation of the eating establishment or similar food service business or outdoor dining area.

d. Mobile food dispensing vehicles:

1. Must be located outside of a required sight visibility triangle at the intersection of a driveway, alleyway, or public street with another public street as set forth in Chapter 34 of this Code of Ordinances;
2. Shall be located no closer than five (5) feet of a public sidewalk, utility box or vault, handicapped ramp, building entrance or exit, or emergency access/exit way;
3. Must not impede, endanger, or interfere with pedestrian or vehicular traffic. Mobile food dispensing vehicles must be located a minimum distance of fifteen (15) feet in all directions away from a fire hydrant; and
4. May not occupy or prevent access to any handicap accessible parking space.

(3) *Hours of operation, signage and noise.*

a. The mobile food vendor or designee must be present at all times during operation of the mobile food dispensing vehicle. Hours of operation are limited to the hours between 7:00 a.m. and 3:00 a.m. unless the designated location on the lot accommodating the mobile food dispensing vehicle is located within one hundred fifty (150) feet of the property line of a dwelling unit in a residential zoning district, in which case the hours of operation are limited to the hours between 7:00 a.m. and 10:00 p.m.

b. One (1) freestanding sandwich board or A-frame type sign is permitted on private property for each mobile food dispensing vehicle. The total size of the sign may not exceed forty-two (42) inches in height or thirty-six (36) inches in width.

c. No audio amplification is authorized as part of a mobile food dispensing vehicle operation.

d.

The mobile food dispensing vehicle, signage and any associated outdoor seating must be removed from its approved locations during impermissible hours of operation; and must not be stored, parked, or left overnight on any public street or sidewalk.

(4) *Waste management.*

a. The mobile food vendor is responsible for the proper disposal of waste and trash associated with the permitted mobile food dispensing vehicle operation. City trash receptacles shall not be used for this purpose. At a minimum, mobile food vendors must remove all waste and trash from their approved location at the end of each day or as needed to maintain the health and safety of the public. Mobile food vendors must keep all areas within twenty-five (25) feet of the vehicles and any associated seating areas clean of grease, trash, paper, cups, or cans associated with the mobile food dispensing operation.

b. Liquid waste or grease shall be disposed of at an approved location (for example, an approved commissary) and shall not be placed in tree pits, storm drains, or onto any sidewalk, street, or any other public space. Under no circumstances shall grease be released or disposed of in the city's sanitary or storm sewer systems. If at any time evidence of the improper disposal of liquid waste or grease is discovered, the responsible mobile food vendor will be required to cease operation immediately, clean up the improperly disposed material to the satisfaction of the city, and shall not resume operation of the mobile food dispensing vehicle until an alternate method of disposal has been approved by the city public works department.

c. If the proposed commissary is located within the City of Jacksonville Beach, written approval for its use from the public works department is required.

d. With the exception of allowable outdoor seating areas, all equipment required for the operation must be contained within, attached to, or within three (3) feet of the mobile food dispensing vehicle; and all food preparation, storage, and sales/distribution shall be in compliance with all applicable sanitary regulations.

(5) *Annual local business tax receipt required.*

a. In accordance with F.S. § 509.102, a separate local license and/or permit is not required to operate a mobile food dispensing vehicle within the City of Jacksonville Beach.

b. For each vending location, a City of Jacksonville Beach annual local business tax receipt shall be applied for, paid for and issued before engaging in any business or commercial activity. A copy of a valid local business tax receipt must be clearly displayed on the mobile food dispensing vehicle and shall be renewed annually.

c. To obtain a mobile food dispensing vehicle local business tax receipt, the mobile food vendor must provide the city clerk with a City of Jacksonville Beach mobile food dispensing vehicle application packet and evidence of possessing all applicable zoning

approvals, State of Florida licenses and permits, including, but not limited to, the following:

1. Department of Business and Professional Regulations (MFDV License);
2. Florida Department of Health (License);
3. Department of Highway Safety and Motor Vehicles (Drivers License(s) for the applicant/legal business owner and all authorized mobile food dispensing vehicle drivers); and
4. City of Jacksonville Beach Fire Marshal fire safety inspection report showing vehicle is code compliant with NFPA 1- 50.7, NFPA 96.

(6) *Application submittal requirements.* Applications for the operation of a mobile food dispensing vehicle must include the following information:

a. Name, address, telephone number, and email address of the applicant and vehicle owner, where applicable.
b. Description of the types of food and/or beverages to be sold, proposed hours of operation, and mobile food establishment business name.
c. Color photograph of the mobile food dispensing vehicle depicting its current condition.
d. Vending location and property owner information, including the legal property/site address(es), parcel identification number(s), name, address, emergency telephone number, email address, and existing principal business name.
e. Vending location site plan drawn to scale, depicting the following information:
    1. Total lot area of the property;
    2. Location and square footage of existing principal and accessory use(s) and associated parking spaces, where applicable;
    3. Proposed location for the mobile food dispensing vehicle; and
    4. Location of ingress/egress to the site.
f. Street address where the mobile food dispensing vehicle is stored when not in use.
g. Copies of all permits and business licenses required by the State of Florida.
h. Fully executed commissary agreement verifying the mobile food vendor is operating in conjunction with a licensed commissary in accordance with Florida Statutes, where applicable.
i. Completed and notarized property owner affidavit indicating the applicant has permission to vend on his/her property and acknowledging the following responsibilities:
    1. The property owner shall comply with all ordinances regarding solid waste disposal, and shall provide the mobile food vendor access to solid waste collection on the subject property;

2. The property owner shall require that mobile food vendors meet all applicable federal, state and local statutes, regulations, laws, ordinances, rules and codes; including, but not limited to, permitting requirements regarding his/her specific business;
3. The property owner understands the regulations governing the mobile food dispensing vehicle and shall be held responsible, along with the mobile food vendor, for any zoning code violations; and
4. The property owner shall ensure the property is continuously maintained in a neat, clean, and orderly manner.

j. Proof of business insurance, issued by an insurance company that is licensed to do business in the State of Florida, and which insures the applicant against all claims for damages to property and bodily injury, including death, which may arise from operations under or in connection with the mobile food dispensing vehicle.

k. Copy of Jacksonville Beach Fire Marshal Fire Safety Inspection Report showing vehicle is code compliant with NFPA 1-50.7, NFPA 96.

l. Completed mobile food dispensing vehicle local business tax receipt form.

(7) *Enforcement procedure.*

a. Inspections may be conducted by code enforcement inspectors, building code inspectors, fire marshal or designee, or police officers on each mobile food dispensing vehicle at any time and at any frequency deemed appropriate by the city.

b. If at any time, the State of Florida revokes or suspends the issued mobile food dispensing vehicle permit, the City of Jacksonville Beach local business tax receipt will be simultaneously revoked or suspended. A mobile food dispensing vehicle that has its state license or permit declared null and void or revoked for any of the reasons set forth in this section shall not be allowed to reapply for a mobile food dispensing vehicle authorization or a local business tax receipt for a period of ninety (90) days after the effective date of such action.

c. If at any time evidence is provided that a mobile food dispensing vehicle is being operated in a way that does not comply with these guidelines, a notice of violation shall be issued to the lot owner and mobile food vendor and the violation shall be referred to the special magistrate for a hearing and disposition in accordance with the provisions of Article VI Code Enforcement of Chapter 2 Administration of this Code of Ordinances.

(8) *Non-transferability.* All mobile food dispensing vehicle operation locations approved by the City are non-transferable upon the sale or transfer of ownership of the mobile food dispensing vehicle. All local business tax receipts issued by the City are non-transferrable

upon the sale or transfer of ownership of the mobile food dispensing vehicle. Each location application for operation of a mobile food dispensing vehicle requires separate zoning approval and a separate local business tax receipt.
